I haven't yet initiated a tribal consultation on a WQS action in Region 8 so this is new to me.

The four Federally-recognized tribes in North Dakota that I intend to consult on NDDEQ's proposed WQS actions are:

Standing Rock Sioux Tribe, Three affiliated Tribes, Spirit Lake Sioux Tribe, and Turtle Mountain Band of Chippewa.

Hi Andrew, there's an opportunity within the next six months to consult with four Tribes in North Dakota in connection with EPA's review of ND DEQ's proposed WQS revisions.

Thanks,
Holly

From Kim Varilek:

"It's time for EPA's bi-annual tribal consultation planning and past 6-month review reporting for the Region. I'm reaching out to see if your programs have any upcoming consultation opportunities within the next 6 months that you expect to offer or initiate. Also, in regard to the review element, please also let me know if you have any information you'd like to highlight from the past 6 months in regard to or associated with any tribal consultation we conducted.

I recognize this email asks for a quick turn-around, but please get any information for any prospective consultations or past highlights back to me by Thursday, Oct. 8, 2020 COB."

Please let me know by Thursday AM if there is anything upcoming or anything that you would like to highlight and I will pass along to Judy who is compiling for the CWB.

Thanks!
